VENDORS: Frontier Days, Inc. or the Marketplace Committee has the right to select vendors, to close booths and ban sales or displays of wares and services. SPACES: Spaces are 10 feet x 10 feet each so that they will accommodate canopies or pop-up tents.

LAYOUT: We try to group crafters with crafters and vendors with vendors. We will continue to use small clusters of booths in an attempt to increase customer traffic flow. A crafter is defined as a person selling art or craft items that have been handcrafted. A vendor is defined as a person selling previously purchased items.

SECURITY: A security guard will be on duty overnight Saturday in the Marketplace area. We discourage leaving your merchandise overnight. If you choose to leave items, you will do so at your own risk and a signed release waiver is required.

AMENITIES: We provide nearby toilet facilities and refuse cans. A variety of food and beverage items are available for purchase a short distance away.
